SOME OF JIM'S IMAGES

**IN MEMORY
OF
JIM GENIESSE**

From the earliest times when Jim first belonged to the Pilchuck Camera Club, Jim was a helpful, working member. In the current PCC, most of us know that Jim was using his personal equipment—his projector and his laptop to allow the club to have digital competitions.

Jim carefully arranged the images so that the judging was the fairest possible being certain that two images of one member were not next to each other. He kept track of all the total scores for members, notifying Janet Rapelje of the members that met goals to receive certificates at annual banquet. We enjoyed him sending the winning images to the editor for publication in the monthly Newsletter—a great addition.

Jim along with Ethel, was the clubs sunshine committee sending cards to members and family who were sick and sympathy cards to members as appropriate.

Along the way, with all of the many images Jim entered in PSA-recognized exhibitions and earned many “stars” for his fine photography and earned the PSA recognition of proficiency (PPSA) after his name. He served as the PSA representative for the Pilchuck Camera Club keeping our club informed on PSA matters.

Although Ethel is not a photographer, Jim and Ethel were a Photography couple for the Pilchuck Camera Club and we all hope that Ethel will continue to be a part of the club. We will all miss our friend Jim—he was a great part of the Pilchuck Camera Club.

PRESIDENTS CORNER

By Jim Basinger

Hi all

Election time is here again. We need a new President, Vice President, Secretary and Treasurer. Hope some of you that have not been officers before step up and become officers this time around. With the passing of Jim Geniesse we also need a PSA representative, and Ethel ask us to get a new membership and sunshine chairperson.

We had some good shows put on by some of our members at last months meeting. Sorry my computer had to be tweaked a little to get the programs to show on the big screen.

Thanks to Andy Rice we have a projector to use at our club meetings saving us almost all of the money we had in the treasury.

We had a good turn out for our annual picnic (pot luck). Thanks Joyce for letting us have it at your house again this year.

I had to give up my throne as croquet champ. Norm beat us all this year.

See you all on Sept 11.

PILCHUCK CAMERA CLUB MINUTES

PILCHUCK CAMERA CLUB

Aug 14th, 2008

The regular meeting of the Pilchuck Camera club opened at 7:08 pm by President, Jim Basinger. There were 10 members present and 5 guests, Dylan Ronan, Cody Humphrey, George Young, Renata Klinard, and Carol Delanne.

The minutes of the May meeting were absent in the newsletter.

The treasurer's report is undetermined as the book is being audited. Jim said that flowers were sent to Ethel for Jim's funeral in the amount of \$54.20.

Certificates to the winners of the July competition are postponed till September.

Tonight's program will be several short presentations by members of the club. Steve will also present a program of recent field trips.

PSA: The annual Board meeting will be in Portland on Aug 31st. The NCCCW conference will be Sep 26-27 at SeaTac. Jim said that images for Nature and Travel are due at the September meeting. Andy said he would send them to PSA.

Refreshments: Sept Janet Rapleje, Oct Linda Davis

Field Trips: Steve said that the trip to Sauk Mt was cancelled because of Jim Geniesse's funeral. Jim said that in late Oct or early Nov field trip for Duck photos

Jim gave a report on locations for our March SOY banquet. Maxwell's, Boondockers, and Collectors Choice were all more expensive than what we had been used to. George Young said that his experience at Maxwell's with a group had been very good.

Jim came prepared with prices for new equipment to continue our monthly competition and programs, but Andy Rice said he has the equipment and is willing to receive images to be shown each month. He will make the e-mail address available to us soon.

Jim requested that members e-mail totals of their yearly summary to him so he can continue accruing their points. He also explained the accumulation of points to visitors and new members. Another item for consideration is changing our pixel format of 768 to 1024 because other clubs are using it with more success.

Jim B. Reported 27 digital entries.

Judges are: Tom Clemens, Kevin ,Andy and Linda as alternate. Steve tabulation and Jim B projection.

Refreshments were served, and then Steve Lightle presented Power point shows with appropriate music. His "Who let the Dogs out" music fit his dog and water romp show. Kevin Seifke had a beautiful Tennessee Mt. show with peaceful music, Janet Wright had one on her and Norm's pets, and Norm Kreger had one on a Car show. All were very nice after we figured why the slide show was not showing on the screen. Good thing Andy Rice had a computer that he could check and find out we needed to change a setting on the computer we were using.
