Nothing else planned at this time.

Vice President Bill Dewey presented certificates for September club competitions.

Image Competition:

Image registration by Jim Basinger and projection by Steve Lightle.

Number of images: 34 Regular, 7 Make ups, 19 Nature

Judges: David VanKeuren, Greg Thomas, Janet Wright.

Tabulation: Jim Basinger

Announcements:

Old business: Bill Dewey reported on the projector image quality issue and the projector cost research he had done. He checked into the cost of a higher end projector and found the price range to be very high and suggested trying to add a monitor for judges to use for judging instead of obtaining another projector. A motion was passed for Bill to spend up to \$100.00 to obtain an additional monitor for judging purposes.

New business: Steve Lightle asked for volunteers to handle the Annual Image Competition & Annual Banquet in March. Annual Image Competition includes subject of the year, image of the year and wildflower of the year. – Sonya Lang and Sharon Ely volunteered for that.

Bill Dewey volunteered to handle the planning and details of the Banquet in March.

The program this evening:

How to Photograph the Aurora Borealis by Shane Elen

Board meeting time and place: n/a

Meeting adjourned at: 7:40

SUNSET BY RENATA KLEINERT

The image was made at sunset with a Cannon 5D, Cannon 28-135 IS Zoom. Taken at ISO 100, F16, 1/30 of sec. using my new tripod a Carbon Gitzo GT 25421. This image was taken in Mosses Lake when the forest fires make a very nice colored sunset. The tree seemed to frame the image for me.

St Peter and Lucifer were at the gates admiring the clouds when the subject got onto photography. They couldn't agree whether Heaven or Hell had the best photographers so they decided to arrange a photo contest. St Peter rubbed his hands with glee and Lucifer demanded to know why he was looking so smug. "Well," said St Peter, "in Heaven we have all the best photographers"

Lucifer slowly raised his head, grinned and replied "Ah, but we have all the judges"
