Field trips:

Sonya is leading a combined field trip with Mt. Baker CC and Pilchuck CC to the Arlington Fly-in. The event goes August 16-18th. Sonya is hosting on Saturday August 17th and will be there at 8am. Jerry S. PCC member has offered to let us leave our chairs, coolers at his campsite. Outside only, so if you don't want to carry stuff around you can leave it there. Contact Sonya the morning of event to find out where that is.

This weekend is Highland games.

Watch Facebook for additional events that Sonya adds for field trips. Also members can post things that they find happening as well. Great way to put together your own outing with others with same interest.

Bill S. reported image registration: Reg 28, PSA Nature 11, 14 challenge - Silhouette.

Title: Bamboo Raft Fishermen

By: Paul Priebe

This was taken early one morning as I walked around the grounds of the hotel we were staying at. The image is taken on the Yulong River which is a small tributary of the larger [Li River](#) in Southeastern [Guangxi](#) Zhuang that runs through the major city of [Guilin](#) to [Yangshuo](#).. The Yulong is a shallow river It is not located near any industrial areas, it is clean enough for swimming. Unlike the busy Li River, it has no motorized boat traffic and relies completely on bamboo rafts to ferry passengers downriver. Early in the morning only fishermen ply the river. The picture was taken just before the first tourist rafts began their journey down the river. Nikon D7100 Sigma 24-104 @52mm, F7.1 1/250

Arlington Fly-in Saturday, August 17th 8am until 11pm

Drone Show at dusk

Movie - First Man after the balloon glow (not a photo op but available if interested)

See their website for detailed schedule and driving directions <https://www.arlingtonflyin.org/>

You can bring in chairs/coolers if you wish. PCC member Jerry Sorensen (he is the one on the large red motorcycle directing incoming aircraft on the runway) will have his trailer parked in the camping area along the tree line and has graciously offered to let us put chairs/coolers there so we don't have to carry them around. I will locate him first thing in the morning so that I can direct members to his trailer location. It is not a place for us to leave things inside, just on the outside.

What's there to photograph besides the air show? Military planes, vehicles, vintage still life, vintage planes, practice panning, people, abstracts, etc.
